June 26, 2023

THE WOODLANDS, Texas, June 26, 2023 (GLOBE NEWSWIRE) -- LGI Homes, Inc. (NASDAQ: LGIH) commemorates National Homeownership Month.

"At LGI Homes, we have dedicated the last 20 years to helping families achieve the dream of homeownership," said Eric Lipar, Chairman and Chief Executive Officer of LGI Homes. "Each year, we commemorate National Homeownership Month by promoting the benefits of ownership and highlighting our commitment to making homeownership affordable for first-time buyers."

National Homeownership Month, celebrated each June since 2002, is an opportunity to educate potential buyers on the financial and personal benefits of owning a home and to communicate the unique value LGI Homes brings to first-time homebuyers. LGI Homes also celebrates its current homeowners in the month of June by featuring their stories and testimonials, and sharing what these customers love about being homeowners.

Through its streamlined construction process and national scale, LGI Homes is able to achieve cost efficiencies that are passed on to its customers. LGI Homes also offers builder-paid closing costs that save homebuyers thousands of dollars.

Mr. Lipar concluded, "During National Homeownership Month, we champion and celebrate what we do every day – make the American dream of homeownership come true."
