April 2, 2024

THE WOODLANDS, Texas, April 02, 2024 (GLOBE NEWSWIRE) -- [LGI Homes, Inc.](#) (NASDAQ: LGIH), one of the nation's largest and most recognized homebuilders, announced today that it received the 2024 Top Workplace USA award issued by [Energage](#) and USA Today. This is LGI Homes' 4th consecutive year to receive this distinction.

"It is a tremendous honor to be recognized as a 2024 Top Workplace USA for the fourth consecutive year," said Eric Lipar, Chairman and Chief Executive Officer of LGI Homes. "At LGI Homes, we are focused on maintaining a positive environment where top talent can thrive as our business grows. This award is a testament to LGI Homes' strong corporate culture and our dedication to conducting every facet of our business with the utmost integrity. Most importantly, it reflects our loyal employees and their commitment to delivering exceptional results in a fast-paced, people-centric environment as they help families around the country achieve the dream of homeownership."

The Top Workplaces USA Award program celebrates nationally recognized companies who focus on making the world a better place by prioritizing a people-centered culture, giving employees a voice and seeking to optimize the workplace experience.

Honorees are chosen based solely on employee feedback gathered through a confidential employee engagement survey, issued by Energage. Results are calculated by comparing the survey's research-based statements, that evaluate factors such as leadership, culture, and benefits that are proven to predict high performance, against industry benchmarks.

"Earning a Top Workplaces award is a badge of honor for companies, especially because it comes authentically from their employees," said Eric Rubino, Energage CEO. "That's something to be proud of. In today's market, leaders must ensure they're allowing employees to have a voice and be heard. That's paramount. Top Workplaces do this, and it pays dividends."
