The Willow plan is now available from the \$170s at Crystal Lakes by LGI Homes.

"Townhomes are a great option for homebuyers looking for an energy-efficient, new home without the responsibility of a large yard," said Alvin Edwards, Vice President of Sales in Houston for LGI Homes. "Crystal Lakes offers a unique opportunity to purchase a brand-new townhome near Katy for a monthly investment that is less than most people pay for apartment rent in this area."

LGI Homes is outfitting the new townhomes with designer interior features such as granite countertops, 42-inch upper cabinets, and a full set of stainless-steel kitchen appliances including a refrigerator and a built-in microwave.
